LAS TERRAZAS is a world class ridge development in Davao City which caters to the high-end market. It is strategically located along Ma-a Road and Shrine Hills with its main access along Philippine-Japan Friendship Highway. On top of the hills, with the view of the entire city, Samal Island and valleys at the North, this 60-hectare development is unique and distinct from the other developments that Aldevinco, or any of its competitors, has done before. The property is a triple A residential subdivision, complete with facilities and amenities that go with any Aldevinco subdivision, i.e. a clubhouse complex, and a sports and recreation center, with swimming pools, a covered basketball court, a covered badminton court, and covered and outdoor tennis courts. It also has a fully landscaped park, an amphitheater, a forest reserve, nature trails and picnic areas. Reception Hall
